NANJING EFG CO.,LTD.

NO.20, JIANGJUN AVE, JIANGNING, NANJING, JIANGSU PROVINCE , P. R . C h i n a

Product Name	: F-TM50	**Test By**	: Nanjing EFG Co.,Ltd .
Production Date	: 2022.3.31	**Sampled From**	: Production Plant

CERTIFICATE OF ANALYSIS

Properties For Control Report:

Test Items	Test Results	
	Testing Standard	Average Value
LOI (%)	GB/T 9914.2 eqv ISO 1887	22.3
Mass per Unit area (g/m²)	GB/T 9914.3 idt ISO 3374	48.5
Tensile breaking MD(N/50mm)	GB/T 6006.2 idt ISO 3342	258
Tensile strength CD(N/50mm)	GB/T 6006.2 idt ISO 3342	208
Air Permeability （@200Pa）	GB/T 5453	5409
Thickness（@500Pa）	GB/T 7689.1 idt ISO 4603	0.49
Moisture (%)	GB/T 9914.1 idt ISO 3344	0.11

Test Conclusions:

- **Confirmed to all above specification**

I hereby certify that the results above were obtained on the material referenced according to Nanjing EFG Co.,Ltd. test procedures and frequency.
Certified by Quality Control Laboratory

NOTE：
Disclaimer: The information given herein is not applicable to material graded as 'B'. The data obtained is based on the actual laboratory tests conducted either by Nanjing EFG Co.,Ltd. or an approved laboratory and believed to be reliable information. The user is expected to test suitability of this product for the end use applications before commencing production. In no event shall Nanjing EFG Co.,Ltd. be liable for any consequential, incidental, or indirect damages.
